German-Australian double degree

ISM students who opt for the program at Bond University spend their first two semesters at the ISM campus, followed by two semesters at Bond University. Here you can study in modern lecture rooms and libraries and reach several restaurants, cafés and bars on foot around the campus. Students who have achieved all the necessary credits for study and examinations are awarded a Master of Science in International Management from the ISM, and an additional degree in the program of their choice from Bond University. With this double degree program of the ISM you acquire two master's degrees within two years plus master's thesis.
